- <https://linkedin.com/in/fabriceflorethebault/>
- 🐙 <https://github.com/themr0c/>

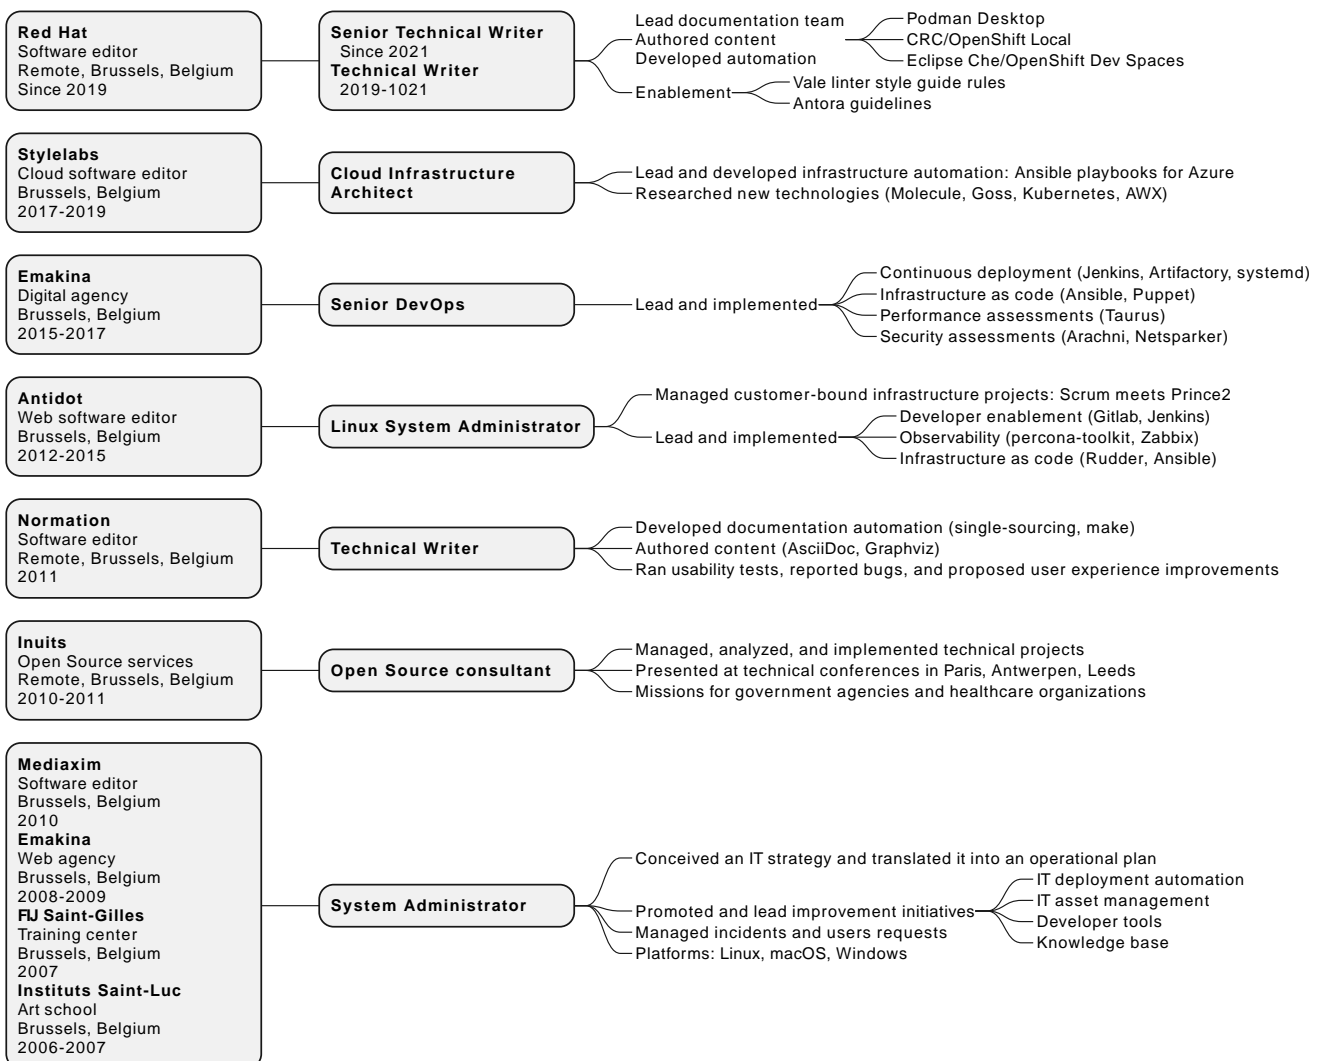

I am a senior technical writer and cloud infrastructure architect with an advanced experience of Linux, Ansible, Antora, and collaboration in Open Source Software.

I mainly write in AsciiDoc, Bash and YAML. I enjoy other languages too.

I can understand or design complex workloads and trace issues. I am a keen independent learner.

I can lead a team and challenge people to get the best of themselves.

📁 Experience

🗣 Languages

- 🇫🇷 French
- 🇬🇧 English
- 🇩🇪 German

🎓 Education & certifications

- 📄 [Impact Tilt - Change Catalyst](#) (2020)^[1]
- ⚙️ [Eclipse Foundation Committer](#) (2019)
